

**15th Annual
Charles H. Tator – Barbara Turnbull
Spinal Cord Injury Symposium**

Friday, November 18, 2016

UHN BMO Education and Conference Centre at the Krembil Discovery Tower

60 Leonard Avenue

12.15pm to 5.45pm

We hope you will join us for this very special lectureship event

This is a free event and anyone with an interest in spinal cord injury – personal or professional – is welcome to attend.

Organized By:

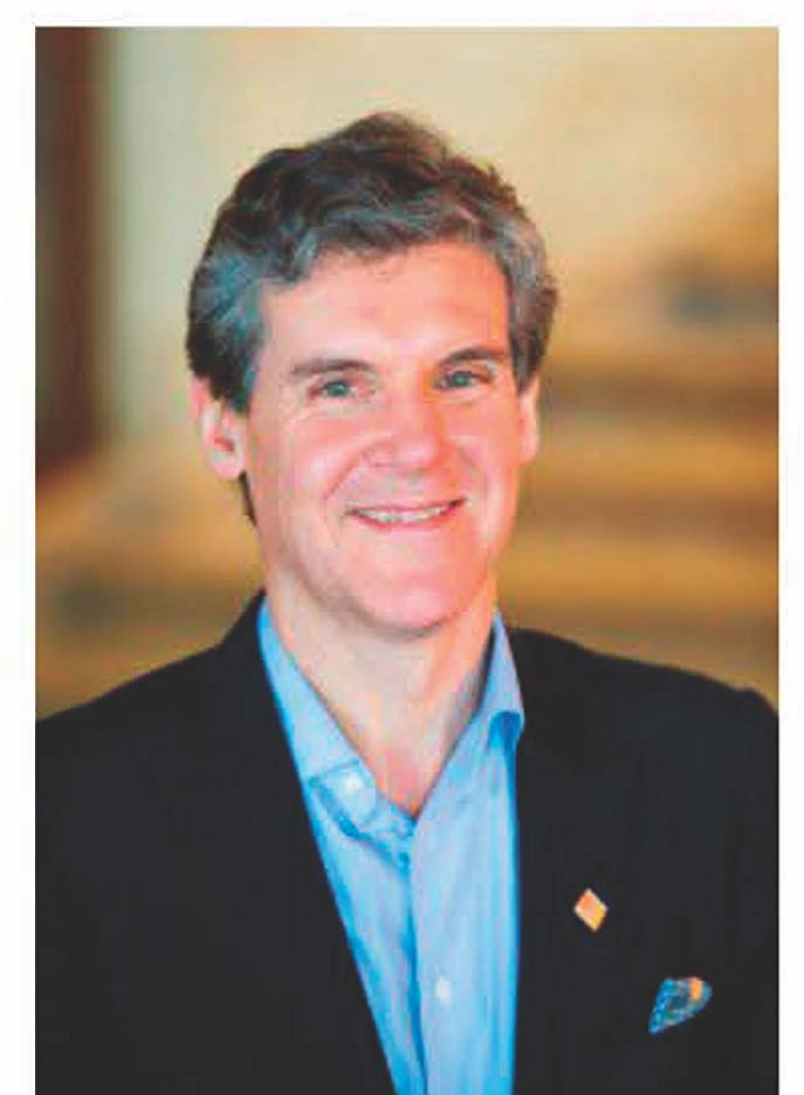

Prof. Claes Hultling
Karolinska Institute

Keynote Speaker: Prof Claes Hultling, MD, PhD

**Prof Hultling broke his neck on the 31st of May 1984
Since then he has been fighting for a better every day life for
the SCI through the Spinalis Foundation**

**His talk will be entitled:
NEW FRONT FOR INJURED BACKS**

Prof. Michael Fehlings
Gerald and Tootsie Halbert Chair
in Neural Repair and Regeneration

In conjunction with UHN, the Krembil Neuroscience Centre, U of T Spine Program, the Spinal Cord Injury Research Unit, the DeZwirek Family and the Barbara Turnbull Foundation
